Interpretation of District & School HIB Grade Reports

These raw scores and average scores reflect the schools' and District's degree of compliance with the *Anti-Bullying Bill of Rights Act* (ABR) as determined primarily through each school's self-assessment of its implementation of ABR on January 25, 2011 through June 30, 2013.

- Beginning with the September 2011-2012 school year, our school district/school has conscientiously implemented the requirements found in the *Anti-Bullying Bill of Rights Act* by training staff, students, and parents while instituting character education programs and initiatives.

- During the first two years of implementation of the *Anti-Bullying Bill of Rights Act*, our school district/school has made progress in addressing and improving harassment, intimidation and bullying and the school climate and culture by thoroughly conducting investigations and implementing prevention initiatives.

- While completing the Self-Assessment, we learned that our school district/school has demonstrated strengths in these areas: training, curriculum and instruction on HIB and related information skills, HIB personnel, school-level HIB incident reporting procedures, HIB investigation procedures, and HIB reporting.

- The Self-Assessment helped our school district/school to identify areas for improvement in the following areas: HIB programs/approaches/other initiatives and other staff instruction/training.

- During the upcoming year, our school district/school will be working towards and seek your involvement in improving our programs.

If you have any questions, please contact Ms. Gina Cinotti, Director of Guidance & District Anti-Bullying Coordinator at gcinotti@hopatcongschools.org or 973-770-8863.
