Durban Avenue Fall Beautification

FOR IMMEDIATE RELEASE, October 18, 2016

Cynthia Randina, Hopatcong Superintendent of Schools, Announces

Durban Avenue School was “Beautified” on Thursday, October 6th. Every fourth grade student was given the opportunity to be a landscaper for the day. This beautification day was the result of a grant written by Mrs. Mendyk and sponsored by the Hopatcong Education Association. The HEA grant, which provided 65 mums, hanging baskets and flower pots from SunnySide Nursey, allowed teachers, students and community members the opportunity to work together in order to beautify Durban Avenue School. The mums look fall festive!
