## **Big Shoes Award October**

**FOR IMMEDIATE RELEASE, November 4, 2016**

**Cynthia Randina, Hopatcong Superintendent of Schools, Announces**

Each month a staff member is acknowledged for their hard work and commitment to academic excellence and student success. Ms. Elena Melekos was recognized as the recipient of our Big Shoes Award for the month of October in recognition for her efforts in planning Family Appreciation Night. Countless hours were spent in the planning process for this first annual community event which was a huge success. Ms. Melekos works with all district personnel to promote our students and staff members' positive educational experiences and achievements through social media and district publications.

Thank you, Ms. Melekos, and congratulations!
