Cynthia Randina, Hopatcong Superintendent of Schools, Announces

On Monday September 26th, Hopatcong High School teachers and administration welcomed Gian Paul Gonzalez for a staff professional development workshop. Gian Paul Gonzalez is a motivational speaker who brings the simplest of messages in a big way. His go to slogan is "all in" and according to Mr. Gonzalez is a way of life that everyone should strive to practice. He believes that we need to put forth 100% at all times and clearly delivered this message to the staff at Hopatcong High School over the course of an hour. Mr. Gonzalez has spoken to Forbes 500 Corporations, churches, schools, and professional sports teams as demonstrated when he spoke to the New York Giants the night before they won the Super Bowl. Mr. Gonzalez is in education himself and really connected with the staff discussing how and why teachers become teachers and why they are always "all in" to help students. Hopatcong High School would like to thank Mr. Gonzalez for his time and inspiring words.
