Camp Innovate
On Line, On Site, On Lake

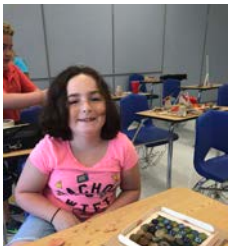
Hopatcong Borough Schools

Newsletter Week of August 7, 2017

STEM in the Outdoors

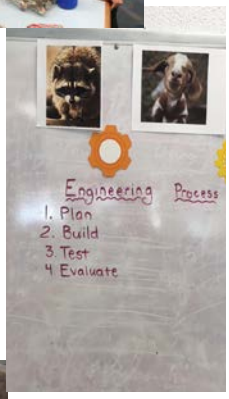
There was a lot of planning, building and engineering this week! BUT, there was also hiking, learning and READING! Our campers read an average of **8** books. The campers who read the most will win a prize!

Strengthen a shelter



Teaming up with High Schoolers

Making a Dam



Engineering an Egg Drop

The Science of Sun Dials

Thank you Mount Olive Robotics Team!
