

IMPORTANT CHANGE FOR ALL HOPATCONG STUDENTS

2011-12 SCHOOL YEAR

STUDENT ACCIDENT COVERAGE IS NO LONGER PROVIDED FREE OF CHARGE

Due to the severity of this year's budget cuts, the Hopatcong Board of Education was forced to eliminate free student accident coverage paid for by the Board. The renewal cost to provide student accident coverage to all students is \$42,512.00 and is no longer a part of the school budget. This protection is not mandated by the State of New Jersey in providing a thorough and efficient education to all its students. Any student who wishes to have student accident insurance will be given an opportunity to purchase coverage for 2011-2012.

Voluntary coverage can be purchased by parents of Hopatcong students on an individual basis. This voluntary coverage can be purchased at the beginning of the school year at rates outlined in the accompanying flyer. It provides basic coverage for student accidents with a \$500,000 maximum benefit up to a 5 year period.
