At a minimum, the penalties for even minor drug possession offenses within a school “Safety Zone” are:

1. Payment of a penalty of \$500.00.
2. Mandatory requirement to perform not less than 100 hours of community service.

I. DISABILITY SERVICE COORDINATOR

The Disability Service Coordinator provides parents with information regarding the services that are available through state agencies for persons with disabilities. The coordinator also assists parents in accessing the appropriate State agency. If you have any questions, please contact the Director of Special Services at 973-770-8821.

II. AFFIRMATIVE ACTION

The Hopatcong School District maintains an established procedure for processing complaints regarding discrimination and affirmative action concerns.

This procedure was developed in accordance with the New Jersey State Department of Education's guidelines for handling complaints regarding sex, race, religion, etc.

Such complaints can arise from working conditions or school and classroom practices.

Any individual who wishes to process a complaint regarding discrimination should pick up an Affirmative Action Grievance Filing Form from the district's Affirmative Action Officer, Administration Building, Telephone No. 398-8802. Such completed forms should then be filed according to the following:

Level 1 - Building Principal

Level 2 - The Affirmative Action Officer

Level 3 - The Hopatcong Board of Education

If a complaint is not resolved by Level 3, it should then be referred to the County Superintendent of Schools for review and/or processing to other appropriate agencies. When the complaint is processed with the County Superintendent, it becomes an official matter.

III. EDUCATIONAL EQUITY POLICIES

The Hopatcong Borough School District has adopted and implemented written educational equity policies that:

1. Recognize and value the diversity of persons and groups within the society and promote the acceptance of persons of diverse backgrounds regardless of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, religion, disability or socioeconomic status: and

IV. GENERAL INFORMATION

1. ATTENDANCE (POLICY #5200 and Policy #5460)

All students in grades 9-12 are expected to attend all assigned classes. They are not to exceed 20 days absent for a full year course, or 10 days absent for a semester course. Students exceeding 20/10 days will be considered excessively absent. They may be subject to removal from the course with loss of credit, and may be reassigned at the option of the administration. ALL ABSENCES WILL BE COUNTED, including excusable absences. Where students' absences exceed the maximum, a student and his parent/guardian may make an appeal through the Assistant Principal to determine if credit is to be restored. Until a formal decision is made by the Administration, any student with absences over 20/10 will be given a "Z" grade and will be denied credit. Absences accrued due to participation in certain school-sponsored, community service and/or volunteer activities that may take place during the day are defined as excused absences.

2. ABSENCE FROM SCHOOL

If a student is absent from school, the parent should notify the Attendance Office by calling 770-8854 to explain the absence. A note should be submitted to his/her homeroom teacher upon return to school. All absence notes will be kept in the student's folder to be used in the event of an appeal. Students who have been absent from school may not attend or participate in an after school activity on the day of absence. In the event of a Friday absence, the student may not attend/participate in an activity over the weekend without prior approval of the high school administration. Students who participate in a school sponsored activity after school hours must be in attendance at school before 10:00 a.m. or Until 11:30 a.m. or they will not be allowed to participate in the activity including (clubs, activities, athletics, stage/band productions, etc.) unless excused by the high school administration. Teachers/coaches will check the daily attendance lists to verify student attendance at school.

Students under age of compulsory school attendance (16 years) who do not attend school regularly and fail to notify the school as to the reason for the absence shall have served upon their parents or guardians a formal written notice to cause the student to attend school (NJSA 18:38-29).

Students beyond the age of compulsory school attendance who do not attend school regularly and fail to notify the school as to the reason for the absence shall have written notice served to parents or guardians of intent to remove the student's

name from the attendance rolls of the school. Appeal of such notification must be made within three school days of receipt of notification.

3. DENIAL OF COURSE CREDIT FOR ATTENDANCE REASONS

A student who exceeds the cumulative total of 20 days (full year course) or 10 days (semester course) will be denied course credit. The report card and permanent record will reflect denial of course credit. In order to be granted course credit, either (1) the entire course must be repeated, or (2) the student must request an appeal. Parents are notified of absences via progress reports, report cards and online access to attendance/grades.

Additionally, notification may occur as follows:

A. Full year courses :

- First notification - 5th absence - (Phone call by Teacher)
- Second notification - 10th absence - (Phone call by Counselor)
- Third notification - 15th absence - (Phone call by Administrator)
- Fourth notification - 21st absence - Credit denied

B. Semester courses:

- First notification - 3rd absence - (Phone call by Teacher)
- Second notification - 6th absence - (Phone call by Counselor)
- Third notification - 9th absence - (Phone call by Administrator)
- Fourth notification - 11th absence - Credit denied

4. ATTENDANCE APPEALS

If a student exceeds 20 absences in a full year course or 10 absences in a semester courses, she/he will be placed in “no credit” status. Parents will be notified by letter if their child has earned “no credit” status.

The student and his/her parents may appeal the “no credit” status to the Administration by submitting a written petition of appeal to the administration within (5) days of receiving the above letter.

The petition to appeal will be considered by the administration. The administration will notify the parents and student as to the date and time of the appeal proceeding.

The Administration will meet with the student and his/her parents and counselor to consider the merits of the appeal. All supporting material to be considered as a basis for appeal (attendance records, excuse notes, contract, etc.) must be presented at the time of the appeal meeting. Data must include documentation, if any, for all days absent, not merely for those in excess of the limit. Students/parents must be

present at the meeting in order for the Administration to consider restoration of credit. The Administration decision will be communicated to the student at the conclusion of the meeting. The decision may be one of the following:

1. Appeal denied
2. Appeal granted/credit restored
3. Appeal decision deferred pending successful completion of conditions set forth by the Committee.

The decisions of the Administration may be appealed to the Principal within five (5) days of the appeal decision.

5. CUTTING

Students are expected to attend all of their assigned classes on time. A cut is defined as a student –initiated, unauthorized absence from a class or as an unauthorized lateness of 15 minutes or more.

A. First Cut –The teacher will contact the parent by telephone and refer cut to the high school administration. The administration will conference with the student and notify the guidance counselor. The student will be assigned to a three (3) hour Saturday detention. If the student fails to attend the Saturday detention, he/she will be suspended.

B. Second Cut – The administration will notify the parent. Saturday detention will be given. If the student fails to attend Saturday detention, he/she will be suspended.

C. Third Cut – The student is denied course credit, is suspended and may be subject to additional disciplinary/academic penalties.

D. Additional cuts will result in a Principal’s review.

6. TRUANCY

Absences that are not cleared by the next day will be recorded as truancy or an unauthorized absence from school. Truancy is defined as a student-initiated, unauthorized absence from school for the entire day or for part of the school day. The penalties for truancy are listed in the Code of Conduct.

7. SIGNING OUT OF SCHOOL EARLY

Students requiring early dismissal for legitimate reasons, (such as court appointment, doctor visit, college visit) must bring a signed parental note on the day of dismissal to the Attendance Office in advance. Students may not sign out to go to lunch off-campus. Please include a telephone number where a parent can be reached for verification purposes. A note confirming their appointment must be presented upon return to school. Per Board policy 5230,

no student will be dismissed without a signed parental note and phone call presented in advance and which states the reason for early dismissal. If a student does not have a note/phone call, a parent/guardian will be required to personally sign his/her child out of school. Absences resulting from early dismissal count and may or may not be excused per policy.

8. LATENESS TO SCHOOL

A. Students who report to school after 7:30 a.m. should report directly to the Attendance Office to sign-in. A pass will be given to the student. Excessive latenesses may result in disciplinary action.

B. Parents are requested to call the Attendance Office at 770-8854 to notify the school of the expected time of arrival of their son/daughter.

9. LATENESS TO CLASS

Lateness to class is defined as not being in your classroom in your seat and prepared to work when the late bell rings.

When a student arrives fewer than 15 minutes late to class without an appropriate pass, the teacher will admit the student into the room, per the following:

1. First and Second Offense: Teacher reprimand
2. Subsequent Lateness: Teacher discipline/teacher contacts parent
3. Chronically late: Referral to administration; discipline; possible loss of privileges, removal from class, denial of credit, ISS.

When a student arrives late to class 15 minutes or more without an appropriate pass, the lateness will be treated as a cut. (See cut policy, page 9)

10. MAKE-UP WORK

It is the students' responsibility to obtain and complete make-up work. Students will generally be given one school day to make-up work, tests, quizzes, for each excused absence from school. Additional extensions on make-up work are permitted at the discretion of the teacher and administration. Confirmed cuts/truancies or unexcused absence will result in zeros with no make-up permitted.

11. TRANSFER STUDENT'S ABSENCES

A transfer student's absences will be pro-rated at (2/1) per month from the date of enrollment, (e.g., if a student transfers into the high school in February, he/she will

be allowed eight (8) absences in each full year course or 4 absences in a semester course before credit elimination.)

12. VACATION LEAVE POLICY

Vacation days will be counted as part of the 20/10 days allowed in the attendance policy. Students going on vacation must complete a student vacation leave form. Upon returning from vacation, students will generally have one day to make up the school work for each day absent. Extensions on make-up are permitted at the discretion of the teacher and administrator

13. COLLEGE VISITATIONS

Any student graduating during the current school year is permitted to visit colleges. These days will be counted towards the 20/10 allowed. Students must bring a parent note prior to the visitation to the Attendance Office, and an official form signed by the college should be turned into the Attendance Office upon returning to school.

14. EARLY DISMISSAL

Seniors in good academic standing (school schedule permitting) may apply for permanent early dismissal. This privilege is extended with the understanding that seniors will honor all the rules/regulations of the school.

V. CODE OF CONDUCT

Please refer to the “Code of Conduct” sheets for specific infractions/consequences.

1. CLASSROOM BEHAVIOR

2. School cutting policies will be in effect for all study halls. Study hall cuts will be reported to the administration for disciplinary action.

6. SUSPENSIONS

When a student is suspended out-of-school, he/she will not be permitted to join in the activities of any team, group, squad, club, activity, etc. that will be functioning that day or night. 1. Serious personal problems
2. Immediate teacher referrals
3. Referrals by administration

C. When college representatives plan to make scheduled visits, notification of these visits will be made to students the previous week. If a student wishes to attend a college representative's presentation, he/she must follow the procedure as described in number one (1) above.

Any student who changes his/her home address and/or telephone number must report this change to the guidance secretary. This change is subject to confirmation by the parent.

5. DROPPING/ADDING OR CHANGING COURSE LEVELS

Students are given an opportunity to select the courses which they will take. We expect students to have:

- * a variety of learning experiences
- * a variety of learning environments
- * a variety of experiences with different teaching styles

It is a reasonable expectation of students:

- * to live with the choices they make
- * to meet a challenge where it occurs
- * to work diligently in order to succeed

A. DROP/ADD POLICY

If any course is to be dropped, it must be done within the time limit established by the school. The following conditions must be satisfied before approval for a course to be dropped will be granted. The course must be replaced by a suitable alternative during the same period.

- * Careful review by the counselor to ensure that a change is both necessary and justified.

* A course may only be dropped/added during its first two (2) weeks, except for level changes.

Study Hall is not an elective option for students; students will be assigned to study hall for administrative purposes only.

B. LEVEL CHANGES

To ensure the best conditions for learning, it is sometimes necessary to change the level of a course in which a student is enrolled. This change should be made only after careful consideration.

1. Level changes can be made up until the end of MP 1. After MP 1, there should be NO level changes.
2. Under certain circumstances, a student may have to drop a level after MP 1. In such a case, the grade at the time of withdrawal must be noted on the academic transcript as WP (withdrew passing) or WF (withdrew failing).
3. A change in level should only be made after contact with the counselor, parent/guardian, student, teacher, and administrator.

C. RECORD KEEPING/PROMOTION

1. If a course is dropped before the close of the first marking period, no record will be kept.
2. If a course is dropped after the close of the first marking period, the student's transcript will reflect a WP (Withdrawn Passing) or WF (Withdrawn Failing) for that particular course depending on the academic standing of the student upon removal from the course. No partial credit will be given for a WP.
3. In high school, promotion generally means your grade assignment - Freshman, Sophomore, Junior, Senior. This is determined on a credit basis. In addition to a specified number of credits, certain courses are required for graduation.

Career information is available by appointment through the Guidance Office or through the Career Education Center in the Library.

7. COLLEGE COURSES/ GRADE 12 OPTION/ONLINE COURSES

Seniors may take college courses, or participate in the concurrent credit program or take on-line courses, per the following:

1. Each senior is bound by Board Policy #5200 and #5113 which requires that thirty (30) credits of course work be taken by each student each school year. If a senior does not need thirty high school credits to reach his/her cumulative credits for graduation, the differential in credits that is necessary for graduation and the thirty credit requirement may be taken in an approved college program. The Principal may waive the 30 credit requirement on a case-by-case basis.

2. Proof of acceptance, such as a class card, to the institution must be presented to the student's guidance counselor by September 15th of the new school year. At the completion of each course, a copy of the student's transcript is to be submitted to the guidance office.

3. Parent/guardian permission.

4. Approval by the student's guidance counselor of his/her program.

8. EXTRA ACADEMIC ASSISTANCE

Students may require extra academic help beyond the school day. All students are encouraged to make "extra-help" appointments with their teachers. Homework Club meets after school on Tuesday, Wednesday and Thursday in the Library.

9. GRADING SYSTEM

The grading system utilized for students enrolled in Hopatcong High School measures student performance as he/she compares with other students in a particular subject area.

The following factors, where applicable, are to be utilized in the formulation of student grades in all subject areas to provide a comprehensive assessment of student progress:

- | | |
|---------------------|------------------------------|
| Tests | Projects |
| Quizzes | Homework |
| Class Participation | Notebooks |
| Reports | Oral and Written Term Papers |

Each department within the school is required to utilize the relevant grading components listed above, and each teacher will clearly explain the value of all of the grade indicators that will be utilized for the specific courses taken at the initial meeting of all classes, and copies of all department grading policies are maintained online.

Marks serve several legitimate educational purposes: to inform parents of their youngster’s progress in school, to help the students see themselves as learners, to set goals for further areas of learning, to monitor the student for school placement, and to regulate the flow of pupils into various programs.

10. COMPUTING GRADES

Teachers will maintain numerical grades for work received during the marking period. Grades will be recorded numerically 0-100 with 65 as the passing grade. Report cards will reflect the alpha grade only.

For the purpose of determining a student’s report card grade, the following scale shall be used:

Alpha Grade	Numeric Equivalent	Quality Points	
		Non-Weighted	Weighted
A+	98 - 100	4.3	5.3
A	94 - 97	4.0	5.0
A-	90 - 93	3.7	4.7
B+	87 - 89	3.3	4.3
B	83 - 86	3.0	4.0
B-	80 - 82	2.7	3.7

C+	77 - 79	2.3	3.3
C	73 - 76	2.0	3.0
C-	70 - 72	1.7	2.7
D+	68 - 69	1.3	2.3
D	66 - 67	1.0	2.0
D-	65	0.7	1.7
F	0 - 64	0.0	0.0

The numeric range of the alpha grade (F) will be worth a minimum of 50 to a maximum of 59 for ninth graders ONLY and ONLY for the first marking period. For the second, third, and fourth marking periods, ninth graders will receive the actual numeric grade they earn. All other students will receive the actual numeric grade they earn for all four marking periods.

In grades 9-12, the final mark for the year is obtained by averaging the numerical grades of all the marking periods and the final exam, according to the following percentages:

Term Weights	M1	M2	M3	M4	E1	Y1
Full Year Courses	22%	22%	22%	22%	12%	100%
Semester 1 Courses	45%	45%			10%	100%
Semester 2 Courses			45%	45%	10%	100%

PE/Health/Driver Education courses have no final examinations, they are valued at 25% per marking period.

NOTE: The following grades will be utilized for Gifted & Talented, Online Courses, and Independent Study (Grade 12 Option).

- P = Pass
- F = Fail
- ME = Medical Excuse
- I = Incomplete

Grades of “P” and “ME” will not be considered for Rank, GPA, and Honor Roll. Incomplete grades will disqualify a student for Honor Roll.

11. GRADE POINT AVERAGE

The following procedure is used to determine grade point average:

Quality Points
Regular Classes

A+	=	4.3
A	=	4.0
A-	=	3.7
B+	=	3.3
B	=	3.0
B-	=	2.7
C+	=	2.3
C	=	2.0
C-	=	1.7
D+	=	1.3
D	=	1.0
D-	=	0.7
F	=	0

Quality Points
Honors/ AP Courses

A+	=	5.3
A	=	5.0
A-	=	4.7
B+	=	4.3
B	=	4.0
B-	=	3.7
C+	=	3.3
C	=	3.0
C-	=	2.7
D+	=	2.3
D	=	2.0
D-	=	1.7
F	=	0

Grade Point Average = Quality Points divided by Potential Credits

Rank in class is determined by grade point average.

Valedictorian and Salutatorian will be determined at the end of the third marking period.

12. INCOMPLETES

If students are absent from school because of illness or if they do not have their work complete, teachers may give an incomplete for the marking period. Incomplete work must be made up within ten days of the end of the marking period. Teachers will change the incomplete grade to the appropriate grade within 2 weeks.

No Incompletes are given at the conclusion of the fourth marking period without the prior approval of the Principal.

13. GRADE REPORTING

Report cards will be available online four times during the school year. Parents without computer access can have grade reports mailed home; call 973-770-8861 to be put on our list. Students or parents who have questions regarding achievement should make an appointment to discuss report card grades with the teachers or counselor. This can be arranged by calling the guidance office.

14. MARKING PERIOD DATES

The school year is divided into four marking periods. Each marking period grade has equal value. The marking period dates are listed on the District calendar.

15. PROGRESS AND DEFICIENCY REPORTS

At the mid-point of each marking period, progress reports are available online. These notices indicate how well or how poorly a student is progressing according to various indicators. In certain instances, the parent/guardian may be informed by telephone if the student is in danger of failing. The progress and deficiency report dates are listed on the high school website under Guidance, then Grade Reports.

16. HONOR ROLL

1. High Honor Roll = marking period GPA of 3.7 or greater
2. Honor Roll = marking period GPA of 3.3000 through 3.6999
3. Actual numeric value of GPA to four decimal places determines Honor Roll status; no rounding permitted. The following grade designations are “place holders” and are not included in Honor Roll calculations: Withdrew Passing (WP), Withdrew Failing (WF), Medically Excused (ME), Excused/Exempt (E), Pass (P), and Incomplete (I).
4. Loss of credit due to absences (“Z” grades) exclude students from Honor Roll.

17. FINAL EXAMINATIONS

A. Final exams will be administered at the end of each course. The exam schedule will be made approximately one month prior to the administration of exams. All students are expected to take their exams on the scheduled days.

B. Only those students who have legitimate reasons will be allowed to make up exams. The following prerequisites must be followed in order for a student to make up a missed exam:

1. Prior to start of exam week: A note, signed by the parent/guardian, explaining why the exam will be missed will be presented to the Principal for his approval or disapproval. The student will get a note from the Principal for a make-up exam.
2. During exam week: Upon returning to school, a note signed by the parent explaining why the student missed the exam will be presented to the Principal for his approval or disapproval. The student will get a note from

the Principal, and this note will admit the student to the library for the make-up exam.

18. EXAMINATION EXEMPTION POLICY

Any student who has received a grade of "A-" "A" or "A+" in a course for four consecutive marking periods (two for a semester course), may be exempt from taking a final exam in that course. To be exempt from final examinations, students must have the recommendation from their classroom teachers, as well as written parental and administrative approval.

19. AP/HONORS COURSES

Requirement for AP/Honors Courses are listed in the current Curriculum Handbook.

20. HONOR COURSES/ADVANCED PLACEMENT AND CLASS RANK

In computing averages for the purpose of determining class rank, one additional quality point will be added to the final grade point value.

EXAMPLE: A grade of "A", which equals four quality points in a regular course, will be given five quality points if the "A" is received in any honors or AP course

21. GRADUATION REQUIREMENTS (Policy #5460)

See Curriculum Handbook

22. MEDICAL EXCUSE

Students who cannot attend physical education courses and have the required doctor's written reason are excused from participating in physical education for the duration of the medical excuse. Medical excuses are not retroactive. Students may be required to attend the P.E. class and participate in adapted activities and complete written work.

23. SUMMER SCHOOL

Every student who fails a course is strongly encouraged to go to summer school. Underclassmen will not be permitted to "double-up" for failed courses. If a student does not attend summer school, it is possible that he/she may not graduate with his/her class in June of senior year.

If your child anticipates having to attend summer school, please be aware of the following guidelines:

1. All courses must be approved by the counselor.
2. Summer school credit will not be accepted without the “**HHS Summer School Review Course Approval**” form (available in Guidance) completed.

24. SCHEDULING

While every effort is made to accommodate each student’s course requests, it is sometimes necessary to make an elective change. HOPATCONG HIGH SCHOOL
ALMA MATER

HAIL HOPATCONG HIGH

On the shores of Lake Hopatcong,
 'Neath the bright blue sky,
 Here on Windsor we do gather
 At Hopatcong High.
Teachers, students work together
 All throughout the year.
Pride and spirit move us forward
 As we shout and cheer.
All the mem'ries stored and treasured
 After four long years,
These have been the times most cherished,
 And we hold them dear.
Memories of the joy and laughter,
 How the time did fly!
Hail to thee, our alma mater,
 Hail, Hopatcong High!
