

# Flamingo Flocking Fundraiser

**This is REALLY FUN!**

## *Flocking a Friend Order Form*

This playful fundraiser is back and designed to raise money for the Hopatcong High School Class of 2018 Project Graduation. Project Graduation is a substance free (No Alcohol, Tobacco, or Chemical Substances) party that will be held the night of graduation for the Senior Class. The party is designed to continue a tradition of celebrating graduation safely in a chemical free environment.

When you "Flock a Friend", we will plant a number of plastic pink flamingos in your friend's yard, leaving a letter explaining our fundraiser and encourage them to play. The Flamingos will secretly appear in their yard at night and stay for 36 hours.

Caution: When choosing someone to flock, please make sure this person has a sense of humor and will not be upset by this fundraiser.

Name of Friend "Victim" to be Flocked: \_\_\_\_\_

Friend's Physical Address: \_\_\_\_\_

Special Instructions: \_\_\_\_\_

How many Flamingoes do you want to Migrate to your friend's yard?
