

Geometry Honors

Summer Assignment 2017-2018

Text Book: Geometry – Common Core Edition

Beginning on page 884 in your Geometry textbook there is a “Skills Handbook” section. This consists of topics learned in Algebra 1 or earlier that will be useful throughout the year in Geometry.

In a one subject notebook or on lined paper in a folder, complete all EVEN numbered problems in the skills handbook, omitting problems on pages 887 and 888. Show all work, as this assignment will be graded for correctness.

This assignment will be **due the first day of school in September**. There are 82 problems total, so do not wait until the last minute to complete the work!

This assignment will count as your first TEST grade of the first Marking Period.

Each day that your assignment is late it will be deducted one FULL LETTER

GRADE!!

If you have any questions during the summer, please email me at mnardone@hopatcongschools.org
