

**ENGLISH III HONORS
MRS. L. KENNY
SUMMER READING 2017**

- Read William Golding's *Lord of the Flies*
- Write a 2-3 page creative extension to the novel, taking place after the closing of the story. Be certain to use proper MLA format [heading, double-spaced, etc.] as well as incorporating creative diction, figurative language and literary techniques.
- Choose any character in the novel and using his voice, write a letter expressing your feelings/emotions while you are stranded on the island. Your plan is to place the letter in a creative container [bottle, coconut, etc.] and throw it in the ocean, hoping it reaches home. Stay true to the character's emotions! Do not reveal the identity until the closing of the letter.

**Please bring the Summer assignment to class on the first day.
