

Dear Students, Parents/Guardians and Colleagues –

As the holidays and blessings of the season re-cede in our memory to a warm glow, it is so important that we continue to support our community. As the cold months of winter descend upon us, many families in our community will have to make difficult choices - purchase groceries, pay the electric bill or buy heating oil? We ask that you continue to show your generous spirit by contributing to our local food pantry. Please consider adding a \$1.00 or \$2.00 worth of grocery items to your shopping cart weekly to contribute to our food pantry collections or, if you would rather, contribute a \$1.00 or \$2.00 to our envelope and we will do the shopping.

My 6th grade students will pick up any donations from your rooms on Monday and Friday, during 4th period - 6th grade lunch.

Respectfully,

Mrs. DeRosa

Mrs. Poggio
