

Hopatcong Borough Schools

Learning Today. Leading Tomorrow.

Transportation Bus Stop information is collected each year to verify and update student bus stops for the upcoming school year. This year that information will be collected electronically. Please follow the instructions below to verify your bus stop for next year, make any necessary changes, and submit. Any questions should be directed to your child's school main office.

Failure to login and submit your bus stops for next year may result in transportation not being provided for your child.

To access the form and submit your response, please head on over to the PowerSchool Parent Portal at <https://powerschool.hopatcongschools.org/> and log in. Once logged in, select the child you would like to submit the form for in the dark blue bar at the top:

Next on the left side of the screen, select the **Forms** link.
