Marching Chiefs perform at the Prudential Center

FOR IMMEDIATE RELEASE, February 28, 2017

Cynthia Randina, Hopatcong Superintendent of Schools, Announces

On Monday, February 27, the Hopatcong Marching Chiefs rocked "The Rock" at last night's NJ Devils game. Public Relations Associate Jessica Narcisco said "You guys are awesome. Definitely one of the most fun bands we had this year. Usually people don't come over to watch for too long, but the crowd of spectators is awesome"! The Marching Chiefs performance in the Grand Concourse outside of the premium seat section was comprised of favorite selections from this year's field show and stand tunes. The Marching Chiefs were filmed briefly for show on the stadium's Jumbotron during the intermission in-between periods 1 and 2.
