Title: **Middle School Clubs Visit Centenary University**

Art DiBenedetto, Hopatcong Superintendent of Schools, Announces-

Mrs. Hill and Mrs. Benninger took the Future Teachers and Book Club students to Centenary University for an exciting college visitation. While at the school, our students met current education students as well as a number of professors who gave valuable advise on how to prepare for college while in high school. A representative of Student Life took our students on a tour of the campus and we were then treated to lunch in their dining hall. After lunch, students sat in on a literacy class as well as a math class and were active participants in the classroom activities.
