

Learning Today. Leading Tomorrow.

## Hopatcong Borough Schools Press Release

### Community Career Fair and Ice Cream Social

FOR IMMEDIATE RELEASE, May 15, 2017

Dr. Joanne Mullane, Hopatcong Acting Superintendent of Schools, Announces

#### 3<sup>rd</sup> Annual Community Safety and Career Social

On the evening of April 26th, students and families from the Hopatcong Elementary Schools gathered together at Hudson Maxim School to learn about community careers and safety. The event, hosted by Mrs. Melissa Kennedy, Mrs. Lisa Schuffenhauer, and Mrs. Christina Takacs, and sponsored by Hopatcong Education Association, began with students rotating through fun-filled stations presented by local safety experts including members of the Hopatcong Police Department, Hopatcong Ambulance Squad, Hopatcong Fire Department, Mrs. Angie Meyer-Pflug (Tulsa Trail School Nurse), and Mrs. Danielle Kovach (Tulsa Trail Teacher and Creator of Super Heroes of Safety). The students went home with a goodie bag filled with health and safety items including glow sticks, toothbrushes, safety booklets, and band aid kits from the Hopatcong Education Association! The event concluded with a Family Ice Cream Social. The evening's events were made possible thanks to Lisa Schuffenhauer's Pride Grant provided by the Hopatcong Education Association. What a fun and educational night!
