

Hopatcong Borough Schools

Press Release

Kindergarten Tea Celebration

FOR IMMEDIATE RELEASE, May 26, 2017

Dr. Joanne Mullane, Hopatcong Acting Superintendent of Schools, Announces

On Friday, May 26, 2017, the Kindergarteners at Hudson Maxim School proudly celebrated all of their hard work and accomplishments this year with the third annual Kindergarten Tea Celebration. The event was made possible by a PRIDE grant provided through the Hopatcong Education Association. Parents were invited to enjoy performances that represented being proud of who you are, the alphabet, friendship, and all of the learning experiences we have engaged in this year. The classroom teachers, Miss Adams, Mrs. Delorenzo, Mrs. Harris, Mrs. Barnard, Miss Rowbotham, Mrs. Nee, and Miss Haberstroh and the music teacher, Mrs. O'Shea, all practiced with the students in preparation of this special event. The art teacher, Mrs. Sanderson, displayed art projects she created with the students. Bulletin boards displaying Arts Infusion and Defined STEM lessons from individual classrooms decorated the gym as well. Following the performance, students were able to enjoy refreshments with their parents. Students, parents, staff members, and community members were all able to come together for this joyous occasion. As our Kindergartners said, "We're as bright as bright can be!"
