**Hopatcong, NJ** - Hudson Maxim School

**Title:** Sussex County School Counselor Association Middle School Caring Award

**Cynthia Randina, Hopatcong Superintendent of Schools, Announces -**

Charlotte Whritenour was one of the sixteen recipients from across the county of the annual Sussex County School Counselor Association Middle School Caring Awards. The award is given to an eighth grade student who demonstrates the values of helping and caring in human relationships. The award is also given to recognize generosity and selflessness among young people. Qualities the committee was looking for in a candidate included respect of others, caring through volunteering in community or school activities and a kind, considerate, compassionate attitude as well as support of others, just to name a few.

The sixteen students selected from area schools were recognized with a wonderful breakfast for their caring actions in their school, community and neighborhood.

Congratulations Charlotte!
