Title: Red Ribbon Tulips in Bloom at Hudson Maxim School

Cynthia Randina, Hopatcong Superintendent of Schools, Announces -

The students at Hudson Maxim School in Hopatcong are reminded of the pledge they made for healthy life choices during Red Ribbon Week in October when they look at the beautiful red tulips that are in bloom. All of the Pre-K through first grade students had the opportunity to plant over five hundred red tulip bulbs as part of Beautification Day in the fall. The event took place under the direction of First Grade Teacher, Judy Grogan and School Counselor, Lisa Schuffenhauer. The planting project was funded through a grant by the Hopatcong Education Association. The red tulips in bloom serve to reinforce our student and faculty initiative and commitment to healthy life choices.
