Title: Hopatcong School District Collects Pop Tabs to Benefit the Ronald McDonald House

Cynthia Randina, Hopatcong Superintendent of Schools, Announces -

With the support of the Hopatcong High School Freshman in Transition Program (FIT), the Hopatcong Borough Schools collected a total of 202lbs of pop tabs to benefit the Ronald McDonald House. One pound of tabs is made up of 966 individual pieces. In 2014- 15 the district collected a total of 98.6 pounds of tabs. The combination of this and last year's collections total to over 289,800 pieces!

The tabs that are collected are donated to the Ronald McDonald House which then turns them into cashing benefiting the families who are staying at the hospital to pay help with expenses. As a district we aspire to reach the goal of one million tabs! If you would like to help, we ask that you please collect the pop tabs and bring them to any school in the district throughout the summer and this upcoming school year. The more we collect the more we help!

Thank you to all at the Hopatcong Schools who donated!
