Title: HHS Students Accepted in this year's New Jersey Area Band!

Cynthia Randina, Hopatcong Superintendent of Schools, Announces -

Congratulations to Amanda Corujo and Anthony Christiana for auditioning for and being accepted into this year's New Jersey Area Band! This honors band is made of students from 39 northern New Jersey high schools. Amanda came in first place in piccolo and Anthony finished 4th place in trombone. An incredible feat in and of itself, but especially during this busy time as they participate in most of our holiday performances as well! They will participate in four rehearsals and perform a concert of professional level music on Sunday, January 17th at 3:00PM at Mt. Olive High School.
