Hopatcong, NJ – Durban Ave. School

Title : “Kid Biz” Contest

Cynthia Randina, Hopatcong Superintendent of Schools, Announces -

During the months of October, November, December and January at Durban Avenue School, Mrs. Munoz, Mrs. Wolf and Mrs. McConnell’s classes all participated in a “Kid Biz” contest. Every student was given the chance to read informative articles from the “Achieve 3000” website in order to earn stars as a reward. Every student that earned 10 stars during that time frame, was rewarded with a delicious pizza lunch. All three teachers were extremely proud of the efforts from all of their students! Keep up the good work!
