Hopatcong, NJ - Hopatcong Students Attend Arts Festival

Cynthia Randina, Hopatcong Superintendent of Schools, Announces – Julie Wilson’s high school class attended an arts festival at Lenape Valley Regional High School on Wednesday, November 5th. Students from Hopatcong, High Point, Lenape Valley, and Kittatinny attended the festival. The students enjoy performances from band members at Lenape, learned traditional German dances, and enjoyed painting three different ways: sponge, bubble and sand painting. Lenape students prepared a wonderful lunch of baked ziti with all the other schools in attendance contributing salad, garlic bread, dessert, and drinks. An amazing time was had by all that attended.
