FOR IMMEDIATE RELEASE

DATE 6/12/15

**Hopatcong, NJ -**

**HHS Senior Receives Caring Student Award**

**Cynthia Randina, Hopatcong Superintendent of Schools, Announces -**

Timothy Lavery was recognized as the recipient of the Caring Student Award for Hopatcong High School. The High School Caring Awards Program presented at Sussex County Community College each year is sponsored by the Sussex County Counselor Association. This event serves to distinguish one student from each Sussex County high school for his/her service to the community. This program is attended by Sussex County high school guidance counselors, students and their families. Timothy's Guidance Counselor, Lisa Dunmyer, brought attention to his respectful and dependable service to others, including his nomination to the Boys State and volunteer work in helping freshmen students adjust to high school. His character and integrity were applauded by all in attendance at this Caring Students Awards Ceremony.
