Hopatcong, NJ - Hopatcong Cross Country Run for a Cause

Cynthia Randina, Hopatcong Superintendent of Schools, Announces -

On Saturday September 6, 2014 the Hopatcong Cross Country teams competed in the 3rd Annual 4 Miler at Garret Mountain: Road Race. The race, sponsored by Subway, is a fundraiser to raise money for the St. Joseph's Children's Hospital fund. The Cross Country team usually races 3.1 mile courses but wanted to get involved in this very worthwhile cause.

A highlight of the morning included team pictures with Jared from Subway, the same Jared featured in the TV commercials.

Many of our runners placed in their age groups and went home with medals.

The Hopatcong Cross Country teams enjoyed a great morning of competition. In the end they left successfully knowing that they had helped raise money for a great cause.

Results:

14 and under – boys
