FOR IMMEDIATE RELEASE

DATE February 19, 2015

**Hopatcong, NJ - Hopatcong Middle School Students Create Egyptian Artifacts**

**Cynthia Randina, Hopatcong Superintendent of Schools, Announces –**

The above projects were completed by Mr. Baeli's 7th grade Hopatcong Middle School students as a final project on Ancient Egypt. The students were challenged to research and create a museum quality 3D artifact from Ancient Egypt. Some of the projects the students chose to create included canopic jars, military weapons, pyramids, clothing, hieroglyphics, and King Tut.
