Preschool Parent Day

Cynthia Randina, Hopatcong Superintendent of Schools, Announces -

Preschoolers and their families celebrated an eventful and successful year by enjoying Preschool Parent Day at the Hudson Maxim School on Friday, June 12, 2015. Through the generous funding from an NJEA and Hopatcong Education Association PRIDE Grant, parents, staff, and community members, were treated to a performance by the preschoolers. Preschoolers enthusiastically sang songs while strumming on their handmade guitars. A slide show followed with background music to the year in pictures. Perhaps the best moments were witnessed as each child shared their All About Me Books with their family members. Smiles abound as the children proudly read their books which portrayed their growth and progress with vivid photos and authentic work samples from throughout the year. The program ended as each family enjoyed refreshments and shared fond memories and future dreams.
