

AN OPEN LETTER TO PARENTS –
HOPATCONG BOROUGH SCHOOL DISTRICT
ART DIBENEDETTO, SUPERINTENDENT

In order to have a successful experience in the new school year, there are a great many responsibilities that must be carried out, both by the school district and by parents. Please note the following:

- a) Students must be wearing a mask when they arrive at school regardless of the method of transportation that delivers them.
- b) Students must wear that mask all day except at such time when a mask break takes place and that will be outside.
- c) With the exception of snack time at the lower grades, breakfast or lunch will not be eaten at school. We are trying to arrange snacks time to be outside as often as possible. Breakfasts will be given to students for the next day, each day. Lunches will be carried out at dismissal.
- d) Students on free and reduced lunch will be given food twice a week for take-home eating.
- e) When at school, students must be socially distanced in hallways. Training for this will take place at school.
- f) Student temperatures must be taken at home before a child leaves for school. Students who are not feeling well or who have a temperature should not be sent to school. Please do not put us in a situation where we have to isolate the child
