WARREN D. CUMMINGS
Biography for SCREA Scholarship Applicants

Warren D. Cummings taught English at Newton High School from 1930 until his retirement in 1975.

He is remembered as a master teacher who instilled in his students a love of reading and a desire to achieve excellence. Although respected as a strict taskmaster, he is most often remembered for his contagious enthusiasm and his sense of humor.

He loved history and was widely known for the books and articles in which he wrote about the history of Sussex County and New Jersey. He held numerous offices in the Newton Education Association, the Sussex County Education Association and the New Jersey Education Association. He served on committees of the National Education Association and was a delegate to the World congress of the Teaching Profession in London, England.

He held offices in organizations representing retired educators and other senior citizens.

"Bill" Cummings had the unique ability to bring out the best in others. He tried to see the other person's viewpoint. He was generous in sharing his wisdom and in giving constructive advice.

Annually in June, a Scholarship will be awarded in Warren D. Cummings' name to a student who plans to devote his/her life to making a difference in the field of education

Fred Aug
Biography for SCREA scholarship Applicants

Fred was an all-star athlete in multiple sports while a student at Pompton Lakes High School. He served in the Air Force and Army during the Korean War. He also played minor league baseball with the Chicago Cubs Organization.

He completed a bachelor's degree in education from William Paterson University on a GI Bill scholarship and a master's degree in education from New York University. He served as a teacher and head basketball coach for more than 30 years in the Pompton Lakes, North Warren and Vernon Township School Districts.

Fred was a longtime advocate for the teaching profession, serving in a variety of leadership positions with the New Jersey Education Association as both an active and retired teacher. He felt deeply about advocating for the rights of members who were war veterans themselves and served as chairman of the NJEA Veteran's caucus. He worked tirelessly to lobby for a bill to change the pension formula for veterans and after 12 years was instrumental in the passage of this bill, formally known as Chapter 390.

He believed strongly in ensuring that public employees' voices were heard and as an active association member he served as president of the Vernon Township Education Association and the Sussex County Education Association.

Once he became retired, Fred gained notoriety as one of the "most visible" members of the retired organization. He served as the constitution expert for Sussex County Retired Educators Association and was the sitting president of the Passaic County Retired when he passed away.

Fred served as president of the New Jersey Retired Educators Association for six years. In his final president's message, Aug wrote, "It is my hope that during my years of serving as your president, I have left the association better for what I have done and who I have been."

Annually in June, a scholarship will be awarded in Fred Aug's name, to a student who plans to devote his/her life to making a difference in the field of education.
