All courses are included in class GPA calculations, with the exception of any courses taken as pass/fail, audit or online. Valedictorian and Salutatorian will be named during the third marking period for graduation purposes.

Grading System

Students earn grades based on a quarterly marking period system. Each marking period grade is worth 22.5% of the final course grade and final exams are worth 10% of the final grade each. Student performance is evaluated on a numerical grading system ranging from 100 - 0. The numeric range of the alpha grade (F) will be worth a minimum of 50 to a maximum of 64 for 8th-12th graders for the first and second marking period only.
