News Update

The Guidance Office has continued to be very busy over the past few months. Many students have been in the office to talk to their counselors about scholarships, post-secondary plans, academic progress, and our college and career program: *Naviance*.

As we wrap up another great year at HHS, we would like to remind you of a few items. The Guidance Office will be open during the summer months. Please call the office to make an appointment so that we may assist you with your needs.

Please be sure to refer to our website for important summer opportunities and summer assignments {Advanced Placement (AP) and Concurrent Courses (CC) only}. Check out this link for more information:

If you have any concerns about your child's 2019-2020 schedule, please contact his/her counselor. Schedules will be available on PowerSchool in August.

Finally, College Board recently announced its new adversity score for everyone taking the SAT. Please take a look at these articles to learn more about how this impacts college-bound students:

Summer School

If your child anticipates having to attend summer school, please be aware of the following guidelines:

1. All courses must be approved by the counselor.
2. Summer school credit will not be accepted without the "HHS Summer School Review Course Approval" form (available in the guidance office).
3. Students are permitted to attend the approved summer schools, listed below. Specific applications and approval forms for each school are required in addition to the HHS summer school approval form.
