Computing Class Rank:

All courses count toward class rank which is determined by grade point average. Class rank is cumulative beginning in grade 9. Grades in Honors, AP and CC courses are weighted.

Explanation of Special Courses:

- Some courses are noted "CC", indicating concurrent enrollment with a college. Students will receive transferable college credits and an official transcript from the college. Formal articulation agreements are with Seton Hall and Sussex County Community College
- All Honors and Advanced Placement level science classes have an additional lab period. Biology, Chemistry, and Physics taken at the CP level also have a separate lab period. All other science courses have a lab included in the course period.
- Hopatcong High School has three NJDOE approved CTE programs in Broadcast Journalism, Child Care, and Cosmetology

HOPATCONG HIGH SCHOOL (continued)

Honor Roll:

The high school honor roll is based on the grade point average a student earns during each marking period. Two levels of honors are recognized on the basis of grade point average.

- High Honor Roll – Marking Period GPA of 3.7000 or greater
- Honor Roll – Marking Period GPA of 3.300 through 3.6999

In order to be eligible to receive honor roll recognition a student must carry a minimum of thirty credits. The following grade designations are “place holders” and are not included in Honor Roll calculations: Withdrew Passing (WP), Withdrew Failing (WF), Pass (P), and Incomplete (I). Loss of credit due to absences (“Z” grades) exclude students from Honor Roll.

Grade point averages are figured for all students in the class at the end of each school year (9th - 12th). All Honors, Advanced Placement, and College Credit courses are weighted equally.

Weighted Honors, Advanced Placement, and College Credit Courses:

English 1 Honors	AP Environmental Science	AP Calculus BC
English 2 Honors	Economics Honors	AP Statistics
English 3 Honors	World History Honors	AP Studio Art
