Our Programs

We follow the same COVID-19 protocols in place at your school district.

Our programs are designed to give you peace of mind when your child is not in school. Experienced, caring, and licensed staff ensures your child is safe, engaged, and happy! Every student participates in **enrichment activities every day, at no additional charge!** Coding, Robotics, Art, Drama, Spanish, Mandarin, Sign Language, Fitness & Sports, and Engineering/Maker Activities keep your child engaged and having fun every day at AlphaBEST! Snacks, homework help, recreation, and student-choice clubs are also provided to every student.

Hi, My name is Magdalena Gubernat. I enjoy building relationships and believe that strong communications are key. I have 20 years of experience working with students in before and after school programs. I hold a Bachelor of Arts degree in Sociology with a minor in Psychology (Magna Cum Laude). I am CPR and First Aid Certified, multilingual, and have participated in numerous training programs to strengthen my skills. I look forward to providing exciting and exceptional experiences to the students in our programs.
