This progress report serves as just one method of communicating your child's progress in school. It indicates what is expected of your child in the academic, work habits, and attitude areas. Your child's success in school will depend largely upon the extent to which you and the school become partners. Therefore, we welcome your inquiries should you have any questions regarding your child's educational experience. Each child grows and achieves in a uniquely different way; therefore please be cautious about trying to compare achievement results of your child with others.
